

COMPOSERS OF GENERATION '70

CATALOGUES AVAILABLE

Paweł Mykietyn (*1971)

Full-blooded postmodernist. He freely juggles stylistic conventions, removes barriers between high and low, and is a mediator between academia and pop culture. He combines familiar melodic gestures with invasive, foreign sounds, microtonal structures, and unreal sonorities on the border of dreams and waking consciousness. He likes to tease listeners and bring their emotions to the boiling point. A master of metaphor and a consummate dramaturgist.
